SUBJECT: **FUNDING AUGMENTATION FOR GUIDANCE HEALTH SERVICES, INC.,
CONTRACT NO. H-701139**

This is to inform you that we plan to amend the County estimated maximum obligation and corresponding maximum allocation for Guidance Health Services, Inc. This agency's agreement provides flexibility to adjust funding allocations, and contains provisions that authorize the Director of Public Health or his designee to make such funding changes.

I am recommending this funding augmentation based on the Sobky v. Smoley court litigation where agencies are allowed to request funds to cover additional persons eligible for Drug/Medi-Cal services. The current and proposed funding amounts are as indicated in the following attachments:

Attachment 1 - Description of the services affected by this amendment
Attachment 2 - Agency's current and proposed funding amounts

If you have any questions or need additional information, please let me know.
